A NOTE FROM THE PARENTS CLUB PRESIDENTS...

Trojan Fall Family Weekend was a huge success! The USC football team made sure that all the parents got a taste of the USC football frenzy....pulling off a WIN after triple overtime!! Fight On!! Delta Gamma Parents Club had another epic weekend of events. A special *Thank You* to Michelle Barnett for all her hard work planning and chairing the Friday Night Cocktail Party, to Megan Foley for the amazing Silent Auction items and to Jillian Sullivan for Saturday's delicious and festive Game Day Brunch at the DG House!! Thank you to all the parents who volunteered to help work these events. We could not have done it without your help.

With the Fall season arriving, it's time to decorate the DG house for the holidays. Yes, I did say holidays and it's only October. Traditionally, we decorate the house the first week in November. This allows the girls to enjoy the festive season decor for more than a week or two. This year we will be decorating the house on Friday, November 3rd. The DGPC decorates the entry tree, banisters, and living room on the first floor. Moms and Dads are welcome to join in. We will start with Friday brunch with the girls at the house, have a quick DGPC meeting followed by house decorating. The house will be holiday festive in time for Homecoming Weekend! If you are interested in volunteering please RSVP to uscdgparentsclub@gmail.comWe need all the help we can get!!

Delta Gammas advocate for a better world for people who are blind or visually impaired through their national philanthropy, Service for Sight. Our girls educate about sight preservation and are dedicated to providing access and opportunity for people with visual impairments including five Delta Gamma Schools for Children with Visual Impairments founded by members of Delta Gamma. We are lucky to have one of these schools right here in Los Angeles, the Blind Children's Center.
