## A NOTE FROM THE PARENTS CLUB PRESIDENTS...

Happy New Year Delta Gamma Parent Club!! The semester is off to a quick start and we would like to "Welcome" our new DG members and their parents to the USC DG Family!! I have heard from the girls that Spring Rush was a great success. We have 69 new members joining us this spring. Many of our new members are the younger siblings of recent USC DG graduates. We are excited to have you all and look forward to meeting you at Presents Weekend. Kristin and I are getting ready to graduate our daughters this May and have enjoyed our 3 years on the Delta Gamma Parents Club Board, in which the last 2 years we have served as Co-Presidents. Our current Vice President, Michelle Barnett and Jillian Sullivan, have graciously accepted the Co-President roles for next year. We highly recommend getting involved and volunteering to help with the different events that Delta Gamma Parents Club hosts over the year. It is a great way to meet your daughter's friends and spend time with other DG families. Please see the our Coming Up Next section and mark your calendars. All are welcome!

## HOLIDAY FINALS STUDY BREAK PARTY!

On Dec 4th, DGPC sponsored a Holiday Study break for all the girls. It was a much needed and well deserved retreat for the DG students. A super special shout out to Leslie Burnison for the fantastic job she did planning and executing the party.

*It was talked about all week long!*

The girls arrived in comfy clothing and were greeted by puppies when they walked in the front door! Yes, you heard me right, 10 adorable pups waiting to be hugged, loved and snuggled with for a few minutes. We had 4 massage chairs set up in the library with therapists ready to give each girl ten minutes of stress relief and total RELAXATION....that was needed. The signups were full within minutes. The girls enjoyed a delicious and festive dinner followed by holiday sugar cookies for decorating with sprinkles and all. We also had a Hot Cocoa and a Candy Bar with to-go bags so they could bring home extras for an added sugar buzz to help them study. The Girls were so happy and very appreciative!!
